# Dear AIMSE Colleagues:

Welcome to the 33rd Annual AIMSE Marketing & Sales Conference.

The markets of the last year and a half have provided all of us with a wide array of challenges. Over the last year, much analysis has been done and preparations have been made to help position client's portfolios for success and take advantage of opportunities that have arisen. The Planning is done, The Time is NOW! As we all begin to Implement & Execute, AIMSE is here to provide the Education, Access and Support to help each of us, our firms and our clients be more successful.

Hosted at the Fairmont Turnberry Isle, the 33rd AIMSE Annual Conference has been developed by a well-connected cross-section of industry leaders representing world-class asset management firms with these goals and your success in mind. AIMSE continues to provide an unparalleled forum for education, access and mentoring to promote the success of sales professionals. We've developed a power packed agenda including:

- One of a kind sessions with Callan Associates and Wilshire Associates to provide an in-depth look at their research organizations and changes that have occurred in the last year
- The exclusive Roundtable Sessions which provide intimate access and keen intelligence on a stellar line-up of Consultants & Plan Sponsors representing all distribution channels

- Information and a blueprint to target new distribution channels and prospects for your firm – identify where opportunity is, the requirements for success and the most direct route to access
- Industry Leaders will provide insight and strategic advice on how to make the most of the current environment, position for success and create value for you and your firm.

On behalf of the AIMSE Board of Directors, we welcome your participation and ask you to join us on April 25 - 27 in Florida. We've assembled a conference agenda that provides the information, access and advice that is so crucial to driving your success in the current markets and beyond.
